Château d'Yquem is often described as the greatest sweet wine in the world, and we are inclined to agree. Yquem is located on the highest hill in Sauternes and enjoys the best growing conditions in the whole appellation. There are 140 pickers who select only the ripest, most 'rotten' fruit, picking individual grapes rather than by the bunch. On average each vine produces only one glass of wine.

|                                    |             |             |               |
